MEMORANDUM FOR RECORD

SUBJECT: Visit to Detachment "G"

1. [REDACTED]
plan to visit Detachment "G" the week of 12 January 1970.

25X1

2. During this period [REDACTED] is scheduled to make a parachute jump using Life Support equipment worn by the Project pilots which will include the S1010 Full-Pressure Suit, Survival Kit, and the RQ 225 Parachute.

25X1

3. The primary reason for making the parachute jump with this equipment is to perform the mid-air modification on the parachute canopy and to make sure that the pilot is not encumbered by the suit to perform this modification and maneuver the parachute.
